Introduction

The Archives Branch supports the professional military education requirements of Marine Corps residential and distance learning programs. They are the chief repository for reporting units as well as for personal papers of current and veteran Marines. The Archives is open without appointment to both military and civilian patrons, and a professional archivist is always available for assistance. Patrons may bring laptops, digital cameras, and personal scanners for use in the reading room.

Title Richard F. Lyons
Record COLL/26
Home A/14/G/7/1

Lyons served with Headquarters and Service Company, 1st Marines, 1st Marine Division during World War II in Australia and on Guadalcanal. The collection consists of newsletters, intelligence reports, propaganda, and maps of Guadalcanal. This collection includes newsletters and bulletins pertaining to the 1st Marine Regiment. Information included world news, camp and ship news, sports, and "Japanese facts." The newsletters include the following titles: "Topside," "The News," "The Noordam News," and "The Underground Newsletter." The intelligence reports relate to the activities on Guadalcanal and included description of Japanese armored, aviation, and infantry units and tactics. Other items include a 3-page report "Notes on the Japanese as observed at the Battle of the Tenaru River, 6 September 1942." 3 propaganda leaflets are included. They are of a sexual nature and depict the Americans ravaging Australian women, Australian soldiers cohabitating with dark skinned natives, and a naked female seeking a replacement for her lover, killed in the war. Completing the collection are 9 hand drawn maps of Guadalcanal. The maps contain detailed terrain features, troop disposition and movements, and Japanese defensive lines. The maps are drawn in pencil and ink, some in color. Two of the maps are captured Japanese maps.

Title John H. Mclnery
Record COLL/853
Home A/10/L/3/4

One copy of Colonel Mclnery's manuscript “VMSB-132: The Story of a Divebombing Squadron at Guadalcanal, 1942-1943.”

Title H. C. Merillat
Record COLL/899
Home A/10/L/7/1

Consists of Merillat's research notes for his book, "Guadalcanal Remembered." Notes include Merillat’s conversations with General G. C. Thomas, an excerpt from a 1956 Marine Corps Schools, Quantico lecture, letters of General M. B. Twining, and material from Colonel Sanford Hunt.
A collection of photographs dating from 1931 to 1949, showing several of the principal Marine personalities of that time at Quantico, El Toro, Ewa, Cherry Point and Guadalcanal.

This collection is composed of the papers and photographs of Lieutenant Minier during his service with the 1st Raider Battalion and later with the 4th Marines. Minier saw combat on Guadalcanal, the Central Solomons, and Guam where he was killed on 21 July 1944. The letters contain the humor and pathos of a young Marine in World War II as he reacted to events around him. Minier won the Silver Star for his actions on Guam.

Extracts from letters by Moran written while serving as language (Japanese) officer in the Pacific during World War II to his wife, Ursul. The letters are numbered and date from 17 May 1942 through 15 January 1946. The initial letter, 17 May 1942, was written while on board ship between New Orleans and Wellington, New Zealand; Moran was part of the first contingent of the 1st Marine Division. The extracts are lengthy, averaging 2-3 pages each. They chronicle Moran's activities from Wellington, New Zealand; Guadalcanal; Brisbane, Australia; Melbourne, Australia; Goodenough Island, New Guinea; and Cape Gloucester, New Britain. The letters, ending with his tour on Cape Gloucester, coincide with Moran's first tour of duty overseas.

The collection contains one after action report of the Investigation of USMC WWII remains on Guadalcanal, Solomon Islands. The mission of the team was to conduct a site survey to determine the feasibility of recovering the human remains of the 22 U.S. Marines lost on Guadalcanal, Solomon Island, on August 12th and 13th, 1942. The Marines were part of the "Goettge Patrol" named after its leader, Colonel Frank B. Goettge, USMC. Several remains were recovered which were believed to have belonged to U.S. servicemen during WW II, and the recommendations made were to continue the excavations in the future, dated 17 October 1987.
In World War II Mulcahy commanded the 2d Marine Aircraft Wing (2d MAW) with headquarters on Guadalcanal and during the Okinawa campaign as commanding general tactical air force, Tenth Army, and CG 2d Marine Air Wing. This collection consists of his 14 Aviators Flight Log Books dating from October 1917 to September 1945. The log books, especially the earlier ones, are of interest for the many comments appearing in the remarks section that provide insight into the early days of Marine aviation.
